Date

The undersigned would like to thank the Examiner for the courtesies extended during the telephonic interviews of December 18, 2009, February 4, 2010 and March 8, 2010.

The December 18, 2009 interview was an Examiner Initiated Interview. The Examiner indicated that Alles was relevant to pending claims 1-12. Although the undersigned did not agree with the Examiner's position relative to Alles, the undersigned did agree to certain amendments as outlined in the Notice of Allowability mailed December 29, 2009 in order to expedite issuance of a patent. The undersigned did reserve the right to pursue the subject matter of the un-amended claims in one or more continuation applications, if desired. The undersigned notes that the Examiner's Initiated Interview Summary (PTOL-413B) mailed December 30, 2009 appears to include a typographical error by referencing "Randy Wayland" rather than "Brian Tufte".

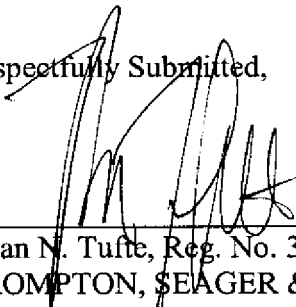

On February 4, 2010, the undersigned contacted the Examiner to request that the Examiner provide an initialed copy of the FORM-1449 filed September 28, 2005. On March 8, 2010, the undersigned followed up with the Examiner regarding the initialed copy of the FORM-

Appl. No. 10/725,826  
Interview Summary

1449. The Examiner indicated that he considered all of the references and submitted an initialed copy of the FORM-1449 filed September 28, 2005 for mailing. The Examiner indicated that he would follow up and see why the initialed copy of the FORM-1449 was not yet mailed to the Applicant.

Respectfully Submitted,

Date: March 9, 2010
